AVAILABILITY LIST

June 24, 2017

This will be the last of our weekly Availability Lists for the season. So much of our new crop will be coming ready over the next few weeks that it is best to work off our new price list, which we hope will be done very soon. Please ask the status of an item you may need so we can let you know if it is ready for sale. We will continue to make deliveries as the need arises, so keep us in mind if you need to freshen your yard during the summer.

Our Sales Yard is open and looking beautiful. The hours are 7:30-4:00 Monday-Friday. We are no longer open on Saturdays. Any variety that we do not have at least ten of is not listed on this form (unless noted) but you may find it in our sales yard.

Summer shades are making a show.
Some varieties that look particularly good now are:

Acer palmatum varieties
Actinidia kolomikta
Astilbe varieties
Aucuba japonica 'Variegata'
Azalea - late varieties
Buddleia varieties
Diervilla varieties
Hemerocallis - Repeat bloomers
Hosta variegated leaf forms
Hydrangea varieties
Juniperus chin. Old Gold
Potentilla Buttercup
Spiraea albiflorus
