AVAILABILITY LIST

June 23, 2018

This will be the last of our weekly Availability Lists for the season. So much of our new crop will be coming ready over the next few weeks that it is best to work off our new price list, which we hope will be done very soon. Please ask the status of an item you may need so we can let you know if it is ready for sale. We will continue to make deliveries as the need arises, so keep us in mind if you need to freshen your yard during the summer.

Our Sales Yard is open and looking beautiful. The hours are 7:30-4:00 Monday-Friday.

Spring color is upon us. Some varieties that look particularly good now are:

Acer palmatum varieties
Actinidia kolomikta
Astilbe varieties
Aucuba japonica 'Variegata'
Azalea - late varieties
Calluna varieties
Calycanthus fl. 'Athens'
Diervilla varieties
Hemerocallis varieties
Hosta variegated leaf forms
Hydrangea varieties
Itea vir. 'Merlot'
Juniperus chin. Old Gold
Leptodermis oblonga
Potentilla varieties

Weekly Special

25% off the following varieties with a minimum of 10 per variety for this week only. Prices are Net.

Clematis paniculata	2 gal
Cornus alba 'Elegantissima'	2 gal
Cotoneaster ap. 'Tom Thumb'	2 gal
Ilex vert. 'Kennebago'	2 gal
Juniperus procumbens 'Nana'	2 gal
Parthenocissus q. 'Englemannii'	2 gal
Picea glauca 'Summer Gold'	2 gal
Rhododendron PJM Hybrids	2 gal
Vaccinium angustifolium	1 gal

Our new crop is starting to come ready. Two year items are rooted and growing out of their spring shearing. If you need something just ask and we will check its status for you.

We still have some varieties available in the Mini Garden Collections. There are mostly Chamaecyparis and Thuja types, but we might be able to find a few broadleaf evergreens too. Give us a call to find out what is available.

Hydrangea varieties have started to show color and look very nice. Blue Bird 3g are particularly pretty.

Our Juniper chinensis varieties are looking great. They go 21"+

Several varieties of late blooming Azaleas are still going strong and their fragrance is outstanding. Hot Ginger & Dynamite, Pink 'N Sweet, and Summer Parasol are particularly nice.

Summer Deliveries

We are available to get an order delivered to you with just a few days notice. Let us know your needs and we will do our best to make it happen.

BAMBOO

We are discontinuing several varieties of Phyllostachys: aureosulcata 'Harbin Inversa', decora, heteroclada, vivax, and vivax 'Aureocaulis'.

These are available in 3g and 5g sizes at half our regular price. This may be your last chance to get any of these varieties from a Northeast grower. If you are interested, please contact us soon.

If you are interested in any other varieties that are not listed below, please call our office. We have small quantities of Fargesia and other Phyllostachys varieties available, but it is best to discuss your needs with Mike to find out what looks best in which size.
