AVAILABILITY LIST

June 21, 2026

Our sales yard is open. The hours are 7:30-4:30 Monday-Friday. We are no longer open on Saturdays. This list is for varieties where we have 10 or more - smaller quantities are noted in the "Notes" column.

This will be our last weekly list so I can focus on our new price list. I have not added much of our new crop into this list because the shearing crew is doing a great job getting the early flush cut back to get fuller, better shaped plants. Please call if you have questions about an item that you don't see listed here and we can check the new crop.

Some varieties that look particularly good now are:

Actinidia kolomikta
Astilbe varieties
Azalea - late blooming deciduous
Clematis paniculata
Hosta varieties
Hydrangea an. Petiolaris
Hydrangea macrophylla varieties
Itea virginica 'Henry's Garnet'
Juniperus chin. 'Daub's Frosted'
Lonicera varieties
Pachysandra terminalis
Potentilla varieties
Rosa rugosa 'Alba'
Taxus cus. 'Nana Aurescens'
Vaccinium varieties
